will be introduced to allow the cities to submit plans directly to Washington.

Title II deals with court rules and decisions.

It would provide that failure to take an accused immediately before a magistrate would not, in itself, invalidate a confession obtained during the interim period.

The Miranda decision requires that for a confession to be valid it must be made voluntarily after the accused has been warned that he does not have to make a statement and that anything he says might be used against him. He also must be told he is entitled to a lawyer and if he can't afford one, the government will provide one.

The bill would provide that any detention would not, without itself, invalidate a confession, but would leave any confession to the discretion of a trial judge. If a trial judge decided the confession to be legal evidence, it would be presented to the jury, which would also rule on its validity.

McClellan said Title III would be written to meet certain court requirements of conditions under which wiretapping could be used.

# Last Day to File Your Tax Returns

By JOSEPH R. COYNE  
Associated Press Writer  
WASHINGTON (AP) — Midnight tonight is the deadline for filing 1967 income tax returns and the government estimates 18 million Americans waited until the past weekend to do it.

To meet the legal deadline, returns must be postmarked by midnight but the rules have been stretched for persons affected by last week's racial violence, including police, firemen and National Guardsmen called to duty.

Persons whose records were lost or destroyed in the violence or were prevented from obtaining help in preparing their returns because of curfews or related conditions may file late returns.

But they must be filed as soon as possible and accompanied by letters explaining the circumstances and reasons for the delay.

The usual penalty for late filing—5 per cent monthly of the taxes due up to a maximum of 25 per cent—will not be assessed but the interest must be paid—one half of one per cent of the taxes due.

The Internal Revenue Service estimated that at least 5.2 million taxpayers will file returns today, the last contingent of 18 million who had not acted by Friday. But the IRS added that three out of four taxpayers sent their returns in earlier.

By midnight tonight, about 60 million individual returns will have been filed, the agency said. IRS expects the total to reach a record 73.2 million by June.

## U.S. Decides Not to Appeal

**FAYETTEVILLE, Ark. (AP)** — The University of Arkansas Board of Trustees has decided not to appeal a Chancery Court ruling that a 1967 act requiring union dues checkoffs for state institutions is mandatory rather than permissive.

University President Dr. David Mullins said the university would begin withholding union dues at the request of employees.

## COURT UPHOLDS

right of eminent domain if we required a utility to have a going business before it laid its first trunk line for the distribution of its product."

The court said testimony showed without doubt that the canal was to serve as a trunk line for all other customers who might demand service south and west of Little River.

"Under these circumstances, we hold that a preponderance of the evidence shows that the proposed use of the canal by the water distribution district is for a public purpose," the court said.

The court said that because of this, the appellants' argument that the trial court erred in finding that landowners had the burden of proving that the land was taken for private use had become a moot issue.

The court modified the lower court's ruling, saying it erred in taking the fee title of the appellants' properties rather than taking an easement for right of way.

# Humphrey to Announce This Week

By JACK BELL  
AP Political Writer

WASHINGTON (AP) — Vice President Hubert H. Humphrey is counting on collecting political debts piled up in tireless party fund-raising activities in his expected bid for the Democratic presidential nomination.

It is widely assumed he will announce his candidacy this week.

Humphrey's associates believe his extensive traveling on the Democratic dinner circuit will help do for him what it has done for Richard M. Nixon among the Republicans—put him in the front rank of contenders.

Humphrey and Nixon are the men best known personally to local organization members of their parties who often turn up as convention delegates.

One of Humphrey's accomplishments has been to sell himself to Southern Democrats, who once looked upon him as the ogre who forced a strong civil rights plank on the 1948 convention and triggered a Dixiecrat walkout.

Sen. John J. Sparkman, D-Ala., said he thinks Humphrey will be the choice of several Southern delegations. Gov. John J. McKeithen has indicated Louisiana's vote will go to the vice president.

Humphrey support also is apparent in North and South Carolina.

"It is probable that the vice president is the only candidate who is strong in every region," said Sen. Walter F. Mondale, D-Minn., a top Humphrey backer. He added in an interview he thinks Humphrey is ahead now in delegate strength over the two announced Democratic candidates, Sens. Robert F. Kennedy and Eugene J. McCarthy.

Humphrey is encountering reluctance on the part of President Johnson's supporters to switch to him after the President's statement that he would not accept renomination.

An Associated Press canvass disclosed 10 governors who had been counted on to support Johnson for renomination have now assumed an uncommitted stance.

They are Govs. John N. Dempsey of Connecticut, Charles L. Terry Jr., of Delaware, John A. Burns of Hawaii, Roger D. Branigan of Indiana, Otto Kerner of Illinois, Richard J. Hughes of New Jersey, Buford Ellington of Tennessee, John B. Connally of Texas, Calvin L. Rampton of Utah and Hallett C. Smith of West Virginia.

The 24-member Democratic National Governors Conference meets today in St. Louis to discuss politics but there was no sign the governors would take a united stand behind a presidential candidate.

Elsewhere on the political scene:

—President Robert S. McNamara of the World Bank has declined comment on a Republican's demand that he resign because he helped promote Kennedy's drive for the Democratic nomination.

Sen. Thurston B. Morton, R-Ky., said "it was indiscreet at best for a public official" to get involved in politics. McNamara made a television tape in which he praised Kennedy but did not endorse him outright. The program was for use in Indiana, where a Democratic primary will be held May 7.

There are no regulations barring McNamara from politics but presidents of the World Bank usually have not been involved in elections.

—J. Irwin Miller, the Indiana industrialist who heads a newly formed Rockefeller for President Committee, voiced hope New York Gov. Nelson A. Rockefeller will announce within a month he is a candidate for the Republican presidential nomination.

## Porkers Were Third in Track Meet

WACO, Tex. (AP)—Arkansas finished third Saturday in a triangular track meet with Baylor and Southern Methodist University.

Arkansas' Jerry Petty was a double winner, taking the shot put with a toss of 54-3 1/2 and the discus with 163-2 1/2.

Bige Wray ran a record 1:52.5 for the Hazards in the 880, and Arkansas edged Baylor in the mile relay with a 3:14.

Baylor, which took all three places in the pole vault and won nine of the 16 events, scored a total of 85 points. Southern Methodist had 43 points and Arkansas 39.

# Safety Subject of Meet

ROY CLINTON

Roy Clinton of Hot Springs, a representative of the Arkansas Commerce Commission, told the Hope Rotary Club interesting facts about vehicles used to transport freight on highways in Arkansas, when the club held its weekly luncheon meeting at the Town and Country April 12.

The speaker, presented by Jim Pruden, talked about the types of carriers used, the safety program observed, and the transportation law followed. In answer to questions from a number of club members, further information was given, such as the fact that state officials at weight stations have the power of arrest of law violators.

Clyde Fouse presided over the meeting, and it was announced that tours by local high school students to businesses, industries, and the Vo-Tech School would be conducted April 25 and 26.

# Steel Hands Want Parking and a Doctor

By G. DAVID WALLACE  
Associated Press Writer  
PITTSBURGH (AP) — Millworkers at U.S. Steel's Homestead Works want more parking space and a doctor on duty fulltime. Steelworkers at McKeesport want incentive pay for all workers at their plant.

These are some of the hundreds of local issues dropped onto the negotiating tables at steel plants around the country today. An Aug. 1 steel strike is in the balance.

But local officials of the 450,000 United Steelworkers are affected by the talks are afraid the local issues will wind up on the national bargaining table come June, placing an added burden on industry negotiators already concerned about the possibility of White House intervention.

"These little things hurt a lot more than the big ones," says Anthony Tomko, president of 5,000-man Local 1408 at McKeesport.

"They shouldn't really be tough to settle, but the company may take the position they're economic issues and kick them up to the national level," Tomko adds.

Steel talks weren't scheduled

May 3. This is an annual undertaking of the Hope Rotary Club to assist students in planning a career.

The Rev. A. Milton Smith of Little Rock was a visiting Rotarian, and guests were Les Bryant of Springfield, O., and E.J. Whitman.

to start until June 1. Negotiators considered voluntary compulsory arbitration as one way to head off a repeat of President Johnson's 1965 intervention and traditional strike hedge stockpiling by users.

But the union members killed an arbitration plan. Negotiators switched instead to an early start at local issues, hoping to get them cleared away before industrywide talks start June 3, in New York.

When the Steelworkers drafted their contract objectives in Atlantic City last month, increased wages got top priority. But local officials are nearly unanimous in describing incentive pay for all workers as the issue most likely to get thrown from local talks into the national arena.

The local negotiators have until May 15 to complete their talks. Tomko has over 100 items to bring up.

Local officials expect other sticky issues to be better pensions, a union voice in enforcing safety regulations and a guarantee that workers won't be downgraded after their jobs are eliminated by automation.

One industry source says he expects the union to ask nationally for a 9 per cent wage hike and refuse to go below the 6.1 per cent gained for can workers in January. The union figures steelworkers can earn \$3.83 per hour.

### WESLEYAN GUILD MEETS

An attractive arrangement of pansies was the focal point in the living room when Mrs. B. C. Hyatt was hostess Monday evening, April 8, to Wesleyan Service Guild Number One. Mrs. Ben Edmiston led the opening prayer and Mrs. P. H. Webb, president, presided over the business session. Mrs. Hazel Castle, treasurer, made a report concerning the budget for the coming year. Mrs. J. W. Perkins, chairman of the nominating committee, announced that all key officers had agreed to serve for another term. They are: president, Mrs. Webb, vice president, Mrs. B. N. Holt, recording secretary, Mrs. James McLarty, treasurer, Mrs. Castle. Mrs. Webb announced that the meeting in May would be held at the Heritage House and would be a joint meeting with Guild Number Two, and at that time officers for the two Guilds would be installed.

Mrs. McLarty, program leader for the evening, showed three films which were to be a preparation for the pledge service to be held in May. The films set forth the work that is financed by the money contributed by Methodist women for missions. One on Bolivia highlighted the new breed of young missionaries that are going out into the foreign field on a three-year plan of service. Another film explained the work that churches of most faiths are attempting to do in popular summer resort centers such as the Lake of the Ozarks in Missouri.

During the social hour which followed, Mrs. Hyatt, assisted by her co-hostess, Mrs. Mamie Gentry, served delicious cake, coffee and chocolate Easter eggs to the nine members present.

### NEWCOMERS CLUB MET ON APRIL 11

Mrs. Verdon Kennedy and Mrs. Randall Leister were hostesses for the Newcomers Club meeting Thursday, April 11 in the Kennedy home. During a business meeting, the president, Mrs. Charles Carey, reported that a club member, Mrs. Robert Dennis, is hospitalized locally.

Pink hydrangeas enhanced the setting, and in lieu of a program, members and guests played Canasta and other card games. Unusual burlap tablecloths covered several tables in the home, including one from which cake and coffee were served.

In addition to the club members, others taking part in the evening activities were Mrs. Don Barranco, Mrs. David Bethay, and Mrs. Ernest Latham.

### GOLF GROUP MEETS

Eleven members attended the meeting of the Hope Ladies Golf Association at the Hope Country Club Thursday, April 11. Mrs. L. L. Webb conducted a business meeting, and during it Mrs. Emmett Wassell reported on a state board meeting held March 29 and

attended by Mrs. Wassell, Mrs. Webb, Mrs. Art Trout and Mrs. Earl Lockett.

Mrs. Albert Bray was hostess at noon when members brought sack lunches. A Blind Hole competition was held in the afternoon, and Mrs. Henry Seamans and Mrs. Albert Bray tied for scoring honors.

### METHODIST KINDERGARTEN HAS EASTER PARTY

The children of Methodist Kindergarten enjoyed an Easter party Thursday, April 11, at the kindergarten. The group began their celebration early in the week when they had stories and films on the life of Jesus. The children planned and made Easter cards for relatives or shut-ins, and for themselves they made bunny hats and Easter baskets. They dyed Easter eggs, decorated bunny sacks and enjoyed an egg hunt on the church lawn. Mrs. Lyle McMahan, a kindergarten mother, came to make pictures of the boys and girls.

### Coming, Going

Mr. and Mrs. Roy F. Prather, Little Rock, spent Easter with Mrs. Steve Carrigan, Jr.

Miss Jean Laseter, Hot Springs, has been in Hope visiting friends and relatives.

Mrs. Martin Crow and children, Mission, Kan., were here over the weekend with the F.C. Crows.

Mr. and Mrs. Louis Howard, Louis Randal and Teresa Ann, Dallas, spent Easter with Mr. and Mrs. Lloyd Coop.

Mr. and Mrs. Leonard England and 2 children, Lambertville, N. J., are visiting Mr. and Mrs. Roy Mouser and other relatives.

Mrs. W. R. Beaty, Siloam Springs, and Miss Sue Wesson were recent visitors in Shreveport with relatives, when Mrs. Beaty came to Hope to see Miss Wesson and Mr. and Mrs. Jack Beaty.

Judge and Mrs. Rowland B. Carey, Wilmington, O., were the Easter guests of Mr. and Mrs. Charles Carey and family.

Mr. and Mrs. G. G. Medders have had as holiday guests, Mr. and Mr. Bill Georges and daughters, Richardson, Tex.; Margaret Nelle Medders and Les Bryant, Springfield, O.; and Gayle Medders, U of A.

## HELEN HELP US!

by Helen Bottel

### PEOPLE FEAR THE UNKNOWN

Dear Helen: The rich can afford psychiatric help for their "different" children, or put them in private "homes" which cost over \$1,000 a month. But the poor, or middle-class people must decide between a State institution or trying to keep them out of trouble at home. This usually means that your neighbors stay clear of you because they are afraid of the "crazy" one. You gradually lose your friends, because your life must revolve around the child who will be your charge all his life.

If the child causes damage or hurts someone, the parents are blamed and ostracized with cries of, "Why didn't they put him away?" But if they DO put him in a cold, understaffed state hospital, they can hardly live with themselves. Moreover, our sons are borderline—not disturbed enough for hospitalization, yet too disturbed and retarded for real life.

Both of our boys started out as normal children. One almost died from an electric shock at age nine. His learning capacity stopped. At 23, he has the appetite of an adult in the mind of a child. He is always in trouble, mostly with delinquent teens.

Our other son's cerebral palsy wasn't apparent until he started school. He has regained his coordination well, but he can't do much more than read and write. He is 20. Mental Health Clinics and special education helped both, but not enough. Now

## Television and Radio

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — In the wake of the stress and pre-empted programs of recent days, network television settled back to something like normal over the weekend.

There was nothing extraordinary going on, and it was sort of relaxing. Contributing to the "business as usual" look was another of those teen-age beauty contests on ABC Saturday night. There were all the reruns, of course. And there was baseball and on CBS the Masters Golf Tournament.

NBC's Telephone Hour Sunday was primarily devoted to fine solo and choral singing by the choir of the famous Bach festival of Bethlehem, Pa. There was some attempt to give the early evening hour the form of a documentary but just enough to provide a peg for the music.

"PBL," the educational network's Sunday evening program, managed to touch some sore spots by scheduling, on the eve of the income tax deadline, a short feature on tax loopholes not available to the vast majority of citizens.

Sen. Robert F. Kennedy presented some statistics about loopholes—one man worth more than a billion dollars who paid less than \$700 in taxes two years in a row; 35 persons with annual incomes of more than \$500,000 who paid no taxes at all.

And then, to the jaunty strains of "Nice Work If You Can Get It," the program demonstrated the way the laws about capital gains, oil depletion allowances, municipal bonds and even joint returns by husbands and wives can chop down the debt of some lucky taxpayers.

No television reviewer can ever become a regular viewer of any one television series, so it has to be by chance that almost every time this writer tunes in on "Bonanza" it seems to be Dan Blocker's night to be the principal star of the show, and almost every time Hoss is having woman troubles.

Sunday night's show as a sudsy affair, with Hoss busily meddling in a family situation and straightening out the bent if not broken relationship of a man and his wife and children. The man, it seems, had withdrawn to whisky and brooding after the death of an older son in an accident.

The amazing Julie Harris, who is as likely to turn up in "Tarzan" of a Western as in "Victoria Regina" or Florence Nightingale in a drama special, was the lonely, neglected wife.

Hoss wasn't really in love with her—gosh, no—but he was a gentle understanding giant who brilliantly got the husband to quit belting booze and back to his family by the simple expedient of having a fist fight with him.

It was an interesting way to attack the problem, but one must remember there was practically nothing in the story to indicate that it was really a Western. The fight put the show back in its proper category.

CBS will devote its Tuesday night news hour to a report of the recent visit of its correspondent, Charles Collingwood, to Hanoi.

CATCHING SPRING in the act of popping out, Susie Schultz keeps a close watch on early-blooming flowers at Pekin, Ill.

## Students in W. Germany Are Rioting

By PETER REHAK  
Associated Press Writer

BERLIN (AP) — They wave red flags, shout "Ho Chi Minh," wear their hair long and some wear throw rocks at policemen, but times throw rocks at policemen, but their usual dress is an old some years ago because it considered it too radical. Since then, the SDS has been the organizer and moving force behind most student demonstrations.

They are students in West Berlin and West Germany who are taking to the streets and shaking up the country following an attempt to assassinate one of their leaders, 28-year-old Rudi Dutschke.

They want to be heard, but until last week their elders weren't willing to listen. They want to remake German society, but they are not quite sure into what. They mistrust the older generation, calling it hypocritical.

They are leftists, strongly influenced by the Chinese and Cuban Communists, but they reject communism on the Soviet or East German model.

Dutschke, their chief ideologist and moving spirit, fled "sit-in" and "teach-in" and "discussions." It sent members into their call their movement "anti-authoritarian" and them-selves "the opposition outside war, saying it is hypocritical to preach morality without dealing with such current moral issues.

They got a tremendous boost in 1966 when Foreign Minister Willy Brandt's Social Democratic Party decided to go into a coalition with the Christian Democrats.

The Danish flag is the oldest national flag in existence.

## Goalby, of Little Rock, Wins Meet

By BOB GREEN  
Associated Press Sports Writer  
AUGUSTA, Ga. (AP) — There's an ink stain on the left breast of Bob Goalby's green Masters jacket. It doesn't show. But it's there. It always will be. It was put there by the innocently errant pen of Tommy Aaron, who kept score for his playing partner, Argentina's Roberto De Vicenzo in Sunday's near-incredible wind-up of the Masters Golf Tournament.

De Vicenzo, the balding, blubotrotter who won last year's British Open Championship, was in the clubhouse with a brilliant, seven-under-par 65 for 277, 11 under par, when Goalby came charging up through the pack and tied him with a final round 66.

Preparations for a playoff today were in the making when it was discovered De Vicenzo had signed an incorrect card and Goalby was the champion a declared champion on a bookkeeping error.

Hord Hardin, president of the U.S. Golf Association and chairman of the rules committee, made the bombshell announcement:

"Under the rules of golf, he (De Vicenzo) will be charged with a 66, which does not leave him in a tie with Bob Goalby, who is 11 under par."

"He is second, 10 under par." De Vicenzo, playing a round that was just one shot off the Masters record, tapped in a two-foot birdie putt on the par-4, 400-yard 17th hole, just as Goalby was watching him with a 10-foot eagle putt on the 520-yard 15th.

Through a split-screen account of it shown by CBS-TV, a national television audience saw the two putts drop almost together.

But Aaron marked down a four on De Vicenzo's card, instead of a three.

Roberto went on to bogey the last hole. Blinded by pressure and the frustration of the bogey, he signed his card. And he was stuck with it — stuck with a 66 instead of a 65.

"I look at it," said the gallant gaucho. "I look at my card maybe four, five times. But I don't see anything. I can't see anything."

"It's my fault," he said over and over. "It is not Aaron's fault. It is my fault. We are professionals. We are supposed to know. I play golf for 30 years all over the world and I never do this before."

"I feel very sorry for me. There was so much pressure I lose my brains."

Goalby, an obscure player on the tour for 11 years, was equally upset.

"I'm very, very happy to win the Masters," he said. "I'd be a liar if I said anything else."

"But I deeply regret the way that it had to be won. It's unfortunate."

Goalby didn't know until about 15 minutes after finishing with Wise Exchange, Verbatim, his round over the picturesque, 6,980-yard, par-72 Augusta National course that he had won the \$20,000 first prize, plus the green jacket and the enormous prestige that goes with it.

Bert Yancey had a 65 for third at 279 and Australian Bruce Devlin was alone in fourth after a 69 for 280, Jack Nicklaus and Frank Beard followed at 281, Nicklaus after a 67 and Beard after a 70.

Gary Player, the third-round leader, went to a 72 and tied with Lionel Hebert, Ray Floyd, Jerry Pittman and Tommy Aaron at 282.

## 3rd Straight Victory for Black Hawks

By HAL BOCK  
Associated Press Sports Writer  
NEW YORK (AP) — A desperation shot, intended almost as much to get the puck into New York's end as to score a goal, made a Stanley Cup hero of young Bob Schumatz. It also gave the Chicago Black Hawks a 2-1 victory in the pivotal National Hockey League fifth playoff game against the Rangers.

The victory — third straight for the Hawks — sends the East Division semifinals back to Chicago for a sixth game Tuesday with Bobby Hull and company

## Giants Win First Twin Bill of Year

By DICK COUCH  
Associated Press Sports Writer

With Willie Mays and Jim Hart thriving on an economy kick, the San Francisco Giants have gone from austerity to affluence in one lively afternoon.

Mays bunched a two-run homer and two-run single in one inning Sunday and Hart cracked three straight homers, good for six RBI, as the Giants swept a doubleheader from the Philadelphia Phillies 13-2 and 3-1.

The Giants, who had scored just two runs in 24 innings while losing twice to Pittsburgh, erupted for 20 hits in the opener against the Phils and scored eight runs in the fifth inning, Mays accounting for half of them in his two trips to the plate.

Mays sat out the first seven innings of the nightcap while Hart, who had drilled a three-run homer in the first game, accounted for all three San Francisco runs with a pair of homers off left-hander Chris Short.

Ernie Banks' three-run homer led the Chicago Cubs past previously unbeaten St. Louis 7-6; Pittsburgh blanked Los Angeles 3-0 on Jim Bunning's five-hitter and the New York Mets dealt Houston its first setback, 4-0, behind the five-hit pitching of rookies Nolan Ryan and Danny Frisella. The Cincinnati-Atlanta game was rained out.

In American League play, Minnesota edged New York 4-3, California trimmed Baltimore 6-2, Cleveland outscored Boston 7-4, Detroit nipped Chicago 5-4 in 10 innings and Washington slammed Oakland 8-1.

The Giants' offensive barrage in the first game sent right-hander Juan Marichal breezing to his first victory since last Aug. 1. Marichal scattered six hits and contributed a run-scoring single to the fifth inning explosion.

Ron Hunt opened the fifth with a double. After being knocked down by a Rick Wise pitch, Mays hit the next one over the left center field fence for his first 1968 homer and the 565th of his career. Ninebatters later, Willie's two-run single capped the rally.

Hart tagged short for a bases-empty homer in the second inning of the nightcap and a two-run shot in the fourth.

Southpaw Ray Sadecki made Hart's homers stand up, hurling a six-hitter and striking out 10 for his seventh straight victory in a carryover streak from last season.

The Cardinals, who had won their first three starts, jumped in front of Chicago in the first inning on Roger Maris' three-run homer. But Billy Williams' run-scoring double and Banks' three-run homer sent the Cubs ahead to stay in the bottom of the first.

Maris also hit a bases-empty homer and Mike Shannon connected with one on for St. Louis. Banks' three RBI gave him a lifetime total of 1,400.

Bunning, acquired by Pittsburgh in a winter trade with the Phillies, planned the Dodgers with their third shutout loss in four games. Donn Clendenen's two-run double and a solo homer by Gene Alley gave the slim right-hander all the support he needed.

The Mets ended the Astros' letaway winning string at four games as Ryan pitched hitless ball for five innings, struck out eight and yielded three hits in all before leaving in the seventh with a blister on his pitching hand.

Frisella fanned three more Astros in preserving Ryan's first major league victory and Art Shamsky delivered two runs with a double and single.

## National to Make Plans for Expansion

CINCINNATI (AP) — The National League will consider when it will expand from 10 to 12 baseball teams and set down guidelines for determining expansion procedure at a meeting in Chicago Friday.

But League President Warren Giles said here Saturday that he expects no major action to be taken on any subject or "final decisions, I am sure."

But Giles said the league expansion committee will present ground rules to six cities—two combined—seeking franchises and will also discuss player allocation.

Montreal, Dallas-Fort Worth, Buffalo, Milwaukee and San Diego have applied for a franchise but Giles said they will have to meet certain conditions before they can be eligible for one.

Schumatz, given a regular turn because of Ken Wharram's sore ribs, snapped a 1-1 third period tie Sunday night when his 80-foot shot hit Ranger defenseman Jim Neilson's stick, changed direction and zipped past goalie Ed Giacomin.

"It was desperation shot," admitted Schumatz, who scored three times in 13 games during the regular NHL season after being called up from Dallas of the Central League.

There were just over three minutes left when Dennis Hull fought Bob Nevin off the puck in the Ranger end and slid the rubber out to Pat Stapleton. Then Stapleton got it to Schumatz, who was at center ice when he let go.

Bobby Hull of Chicago and Donnie Marshall of New York produced the other goals in the first period.

## 55 Entered in Field at Indianapolis

INDIANAPOLIS, Ind. (AP) — The field for the Indianapolis 500-mile race stands at 55, but six STP turbine cars remain unentered with entry deadline at midnight tonight.

Four cars were entered Sunday for the Memorial Day race, with veterans Ronnie Duman and Bud Tingelstad, both of Indianapolis, assigned to drive two of the cars.

The three cars have turbo-charged Offenhauser engines.

The fourth entry was a Ford-powered car entered by Ken Breen of Warren, N.J. No driver was assigned.

The status of the turbines hasn't changed since April 5 when a federal judge rejected a plea by Studebaker's STP Division to order the U.S. Auto Club to restore its 1967 rules on turbine-powered cars.

The STP turbine car driven by Parnelli Jones was running away with last year's 500 when a bearing failed less than 10 miles from the finish.

USAC later reduced the maximum effective air intake for a turbine engine, in effect banning the STP turbine. USAC said the move was to make the turbine more competitive with piston engine cars.

The committee set football signings for Jan. 5 and basketball signings for March 20, April 1 had been the signing date for both sports.

The committee, which represents all AIC schools, announced that the conference track meet would be held May 17-18 at Little Rock.

## AIC Moves to Cut Recruiting Expenses

LITTLE ROCK (AP) — The Faculty Committee of the Arkansas Intercollegiate Conference moved Saturday to cut recruiting time and expenses by changing the dates on which athletes can be signed to letters of intent.

The committee set football signings for Jan. 5 and basketball signings for March 20, April 1 had been the signing date for both sports.

## 76ers Only Need One Victory

By THE ASSOCIATED PRESS  
Three of the four berths in the National Basketball Association have been filled and the Philadelphia 76ers will attempt to complete the picture tonight.

Los Angeles wrapped up the Western Division title of the NBA Saturday night, whipping the San Francisco Warriors 106-100. It was the Lakers fourth straight victory without a loss in the best-of-7 set.

The 76ers could wrap up the East title in Philadelphia tonight with a victory over the Boston Celtics.

Philadelphia, with four players hitting for over 20 points, tripped the Celtics in Boston 110-105 Sunday. The 76ers now have a commanding 3-1 lead as they shoot for their second straight NBA championship.

In the NBA Eastern Division final Sunday night, the Pittsburgh Pipers took the crown with a 114-105 victory over Minnesota. It was the Pipers fourth victory in five playoff starts over the Muskies. Pittsburgh defeated Minnesota 117-108 Saturday night.

Pittsburgh will open the best-of-7 championship series at home probably on Thursday against Western champ, New Orleans.

New Orleans clinched its final with a 108-107 thriller over Dallas Saturday night. The Bucs took the series, 4-1.

## Barber Wins \$2,850 in the Masters

AUGUSTA, Ga. (AP) — Miller Barber of Texarkana, Ark., playing in his first Masters Golf Tournament, collected \$2,850 Sunday after finishing in a tie for 12th place with Doug Sanders.

Barber shot a final round 71 after rounds of 75-69-68. The 37-year-old veteran's 283 total was five under par.

Bob Goalby took the \$20,000 first prize with a 277 total.

## Orioles Find New Ways to Lose Game

BALTIMORE (AP) — The Baltimore Orioles, who found new ways to lose during a disastrous 1967 season, lumped a whole bunch of misplays into a single loss Sunday.

While dropping a 6-2 decision to the California Angels, for their first loss after two victories, the Orioles yielded runs when:

— Dave Johnson, playing out of position at shortstop, delayed his throw after "playing the ball wrong" on Paul Schaal's first-inning chopper, turning the third out into a scratch hit.

— Winning pitcher George Brunet, who batted .077 last year, tapped a single to left after weak-hitting Bobby Knoop was given a two-out intentional pass in the fourth.

— Jimmie Hall went to second on Chuck Hinton's single in the fifth, continued to third on center fielder Paul Blair's bobble, and scored as Hinton was trapped and run down near second base.

Roger Repoz beat out a bunt in the seventh, and moved around the bases on a steal, an infield out and a wild pitch by reliever Gene Brabender.

## Dog Ban by G&F Ruled Illegal

LITTLE ROCK (AP) — The Arkansas Game and Fish Commission's ban on free-running dogs is unconstitutional and exceeds the authority of the commission, according to an attorney general's opinion issued to state Rep. Bill Wells of Hermington.

Wells said Asst. Atty. Gen. Tom Tanner told him the regulation violated the property rights of private citizens and that he found no state law or constitutional provision that would permit the commission to adopt it.

The regulation prohibits hunters from letting their dogs run free from April through July, except in areas designated by the commission, and provides that an officer may destroy free-running dogs without being liable for damages.

Commission Director Hugh Hackler said he hadn't seen a copy of the opinion and would have no comment until he has talked with the commission attorney and commission members.

The commission is meeting in Helena today and Tuesday.

## Error Could Change Rules of Golfers

By WILL GRIMLEY  
Associated Press Sports Writer  
AUGUSTA, Ga. (AP) — Will our conservative golf fathers be forced to rewrite the rules to conform with the jet and electronic age?

There were such suggestions today after Roberto De Vicenzo of Argentina, the grand old warrior of the world's fairways, was deprived of a shot at the rich Masters title.

"This will set golf back 10 years," grumbled one spectator after De Vicenzo had been charged with an extra stroke he didn't take simply because his playing partner put down the wrong figure and Roberto failed to catch it. It was as simple as that.

"Golf rules are outdated," said Fred Corcoran, tournament director of the International Golf Association and once tour manager for the PGA.

Others—Hord Hardin, president of the U.S. Golf Association; Joe Dey, executive director of the USGA and Joe Black, former tour director of the PGA—defended the rules.

## Killebrew Again Keeps Twins Rolling

By MIKE RECHT  
Associated Press Sports Writer

Vic Davallillo has improved his hitting by stealing a few inches at the plate and he also is making big strides forward on the bases, where he is stealing 90 feet at a time.

It all added up to a lot of yardage for the diminutive Venezuelan Sunday as he drove in four runs with a home run and a triple and set up another with two stolen bases in Cleveland's 7-4 victory over Boston.

Ron Hansen also drove in four runs for Washington as the Senators rolled over Oakland 8-1 and Harmon Killebrew got the key hit — a two-run triple — in unbeaten Minnesota's four-run third inning that beat the New York Yankees 4-3.

In other American League games, Bill Freehan singled in the winning run in the 10th inning to hand Detroit a 5-4 triumph over the Chicago White Sox and California took advantage of Baltimore's faulty fielding to beat the Orioles 6-2.

In the National League, San Francisco swept a doubleheader from Philadelphia 13-2 and 3-1, Chicago dealt St. Louis its first loss 7-6, the New York Mets handed Houston its first defeat 4-0 and Pittsburgh blanked Los Angeles 3-0. Cincinnati was rained out at Atlanta.

Davallillo, a 5-foot-7 speedster, who hit .287 last year but drove in only 22 runs with two homers, now has five RBI in four games, this season.

He raised his average to .294 with a bases-loaded, two-out triple that broke a 3-3 tie in the fifth inning and a lead-off homer in the eighth.

"You notice that I'm closer to the plate?" he asked reporters. "Both pitches I hit are fast balls. In on me, Pompeyo (his brother who played with Washington in 1953) tell me 'if they're going to hit you they're going to hit you' whether you're close or far away from the plate. There's no way you can get away."

Hansen's three-run double and run-scoring single and homers by Frank Howard and Bill Bryan gave the Senators their first victory after three losses. Dennis Higgins earned the victory with 4-2-3 innings of shutout relief, "the first time in the major leagues that I have pitched that far."

Killebrew's belt came after Tony Oliva singled in a Minnesota run and then Bob Allison doubled home Killebrew with the decisive run as the Yankees drove out starter Dean Chance with three runs in the ninth inning. Al Worthington preserved Minnesota's 4-0 record by getting the last two outs with two men on.

Freehan's hit came with the bases loaded and none out after the White Sox managed a 4-4 tie off Detroit starter Mickey Lolich on two-run homers by Buddy Bradford and Tommy Davis.

Roger Repoz led off California's victory with a homer.

Max Peacock, who will be a senior, and Chuck Dicus, a sophomore, are currently the two split relievers.

## Our Daily Bread

Sliced Thin by The Editor

Alex. H. Washburn  
Millwood Lake  
Featured Today;  
Falcon to Buckner

Thanks to the Corps of Engineers your editor got his first look at Millwood Lake last Friday—the long delay being explained by the fact that our own boat has been parked at Sarasota, Fla., for a year, but we hope to go after it this month. If you haven't had a chance to explore Millwood there's a real adventure ahead of you. I've cruised five major Arkansas lakes—Narrows, Texarkana, Ouachita, Hamilton, and Greer's Ferry—but Millwood is like none of them. It's a strange mixture of lake and flooded river.

For when you leave the main pool you find yourself going up flooded Little River between tree-lined banks. Before the coming of Millwood Dam you put in at Allen's Ferry, just above Fulton, went up to White Oak Shoals in normal water, pulled your boat over the shoals, and continued as far as Jack's Island, 35 miles upstream from Allen's Ferry. In high water, of course, you could run clear to White Cliffs, 50 miles from the ferry. Now things are changed drastically.

With Millwood backing up Little River you can cruise almost unlimitedly—to Cottonwood Shoals, 15 to 20 miles west of U. S. Highway 71, virtually to Oklahoma.

For this I take the word of Warren Butler, who piloted us Friday in a Corps of Engineers runabout. Our farthest point Friday, actually, was the intake for the canal which carries Millwood water to the Nekosoa-Edwards paper mill near Ashdown. The intake is on Yarbrough Lake, west of the main channel of the river. It's a stump-filled bayou which should be negotiated cautiously in normal water. Fortunately we had four more feet of water Friday than is normal.

But the main channel of Little River is safe for cruising at all water stages—and the range to beyond U. S. 71 is tremendous, comparing to the endless stretches of giant Lake Ouachita.

We have a page of pictures of Friday's expedition in today's Star. And also today you will find a report on preliminary plans to give a network of boat docks, which Millwood badly needs.

Sunday afternoon I saw Falcon for the first time although we've been running stories about its old development for years. With a fine new highway it offers another route from Hope to Magnolia, where L. Carter Johnson and I had supper Sunday night.

Some time ago B. W. Edwards told me about a new short route to Magnolia, taking No. 32 through Shover Springs to Bodcaw, then two miles south on No. 53, and No. 355 to Willisville, where No. 19 takes you to Waldo, and No. 82 on into Magnolia. But now, after hitting No. 53 at Bodcaw, you can continue on it through Falcon to Buckner and pick up No. 82 there. Probably there isn't much difference in mileage but the Bodcaw-Falcon-Buckner road is the newest and fastest.

It's amazing how local roads have been improved within a decade.

## Children Suffer Burns Near Ozan

Two Negro boys, one four and the other seven, suffered burns Sunday near Ozan when gasoline ignited in a small outhouse in which they were playing.

Deputy Sheriff Herbert Griffin said the youngest was critically burned and was taken to a Little Rock hospital for treatment by a Little Rock Home Ambulance of Nashville.

They were the grandchildren of Elizabeth Mann with whom they lived.

## Pine Bluff Has Racial Board

PINE BLUFF, Ark. (AP) — Mayor Austin Franks of Pine Bluff has appointed three white men and three Negroes to a committee directed to find solutions to the problems that resulted in racial violence here recently. The six are to appoint five other members and hold their first meeting early this week.

## Millwood Lake Group Organized

Citizens from five Southwest Arkansas Counties met Saturday afternoon at the Corps of Engineers Project Office in the interest of the improvement of facilities on Millwood Lake.

It was brought out in the discussions that present facilities are far from adequate for the number of persons visiting the lake each week and that something needs to be done as soon as possible to help alleviate the situation.

Project engineers stated that a Marina would be built soon at Beard's Bluff on the Hempstead County side of the lake. The Marina would have boats for rent and boating and fishing supplies as well as places to rent if boat owners wanted to leave their boats on the lake.

It was also announced that an area was being developed on the Little River County side of the lake which would also have Marina facilities in the near future.

Those from the Howard and Sevier County areas are interested in having facilities established for their people on the upper end of the lake and plans are going forward toward the development of these areas, but local support is needed to be assured of completing all of the projects.

An organization was formed to be known as the "Millwood Lake Improvement Association" and membership in the organization will be open to all people within Southwest Arkansas.

Officers elected to direct the activities of this organization were: Charles Wilson of Hope, President; County Judge, Coulter, Sikes, Floyd and Odum were named Vice-Presidents and Louis Graves of Nashville was named Secretary-Treasurer.

Petitions are being circulated throughout the area in support of these improvements on the lake and all interested citizens are urged to sign one of them. In Hope they are located at J. B. Cook Auto Supply Company, Crow - Burlingame Company, Hope Hardware Company, LaGrone Williams Hardware Company, Duffie Hardware Company, Town & Country Restaurant, Diamond Cafe, Ideal Cafe, and Oaks Cafe. In Saratoga a petition will be at Bill & Homers Place on the road to the lake.

## Morning Mail Reveals Money Seems to Be Spreading Around

## McClellan Sees Major Battle Over Several Anticrime Provisions

By ED SHEARER  
Associated Press Writer

LITTLE ROCK (AP) — Sen. John L. McClellan, D-Ark., a longtime advocate of anticrime legislation, expects several provisions to be bitterly fought late this month when a comprehensive crime measure reaches the U.S. Senate floor.

The major battles, McClellan says, will come over a proposal for block grants of federal funds and proposals to slightly reduce the impact of the Malory rule and the Miranda case on confessions.

McClellan says a provision to make the use of wiretapping

and electronics meet certain requirements also could generate some heated debate.

Another area that would doubtless prove to be controversial is a gun control proposal which has not yet been attached to the bill.

The House has already passed its version of the bill which McClellan says is similar to President Johnson's original Safe Streets and Crime bill.

McClellan added, however, that the House measure did not contain three of the possible four titles in the Senate measure.

Title I of the bill provides for block grants to states to plan methods of improving law enforcement, methods of combating organized crime, programs to improve probation and parole systems and to improve community police relations.

The block grant proviso will be strongly opposed by the administration, McClellan said.

The bill allow cities of 50,000 population or more to submit through a governor a plan for improving law enforcement. The governor has no authority to veto a plan, however.

## Courts Processing the Thousands of Arrests for Looting, Arson

By THE ASSOCIATED PRESS

Courts are engaged in processing thousands of arrests made during the looting, arson and violence that followed the slaying of Dr. Martin Luther King Jr. Hundreds are still in jail.

Hundreds have been fined, mostly for curfew violations. Many have received suspended sentences. Others remain free in bail pending trial on charges ranging from looting and arson to first-degree murder.

In Baltimore, about 5,800 persons were arrested. Of 3,466 cases tried, 2,193 convictions resulted, mostly for curfew violations. Fines ranged from \$5 to \$300. Probation cases totaled 389. Many cases involving looting and arson await grand jury action.

Washington reported 5,500 arrests, including 4,400 curfew violations. Persons charged with curfew violations have been told they can avoid trial by posting \$25 bond. The remaining cases deal with looting, arson, and other more serious charges.

Chicago arrest figures exceed 2,800, with an estimated 500 persons remaining in jail. Bonds for 207 persons arrested in looting and arson cases were reduced Sunday in a special Easter session of circuit court. A total of 283 cases were heard.

Previously more than 2,000 were released on bond, plus some juveniles who were turned over to their parents. Most of the Chicago arrests were for disorderly conduct, curfew violations, burglary and looting. Cases in other cities include: CINCINNATI — Total of 260 persons arrested, including 54 juveniles. Charges include curfew violations and possession of fire bombs. Three persons have been charged with first-degree murder, one for manslaughter,

## Four GIs in Korea Killed in Ambush

By K.C. HWANG  
Associated Press Writer

SEOUL (AP) — Two Americans and two South Koreans were killed Sunday night by North Koreans who ambushed a U.N. Command truck half a mile south of the Panmunjom armistice meeting site, a spokesman for the U.N. Command said today. The attackers escaped and there was no indication any of them were hit.

Two other American soldiers were wounded. The U.N. Command called the ambush "a flagrant violation" of the Korean armistice and filed a protest note.

The ambush raised American casualties to four killed and 14 wounded since the North Korean raid on Seoul Jan. 21 in an attempt to assassinate President Chung Hee Park. North Korea seized the U.S. intelligence ship Pueblo on Jan. 23, and one of its 83 crewmen was fatally wounded then.

The spokesman said a truck from the U.S. 2nd Infantry Division was making a routine trip from an advance camp to Panmunjom when it was attacked. He said personnel aboard a second American vehicle heard about 200 rounds of automatic weapons fire and two explosions and rushed to the scene.

## Prisoner Walks Out of Jail Here

Carl Joe Ceaser, 27-year-old Negro under a 15-year sentence for burglary and grand larceny, walked off a work detail at the Hempstead County Jail Saturday and is still at large.

The prisoner escaped just about the time the Penitentiary Prison Wagon got to town to get him. Sheriff Jimmie Griffin had Ceaser cleaning up the hallway. He walked through the jail kitchen. The door was locked but the Sheriff had forgotten and left the key in it. Ceaser unlocked the door, got on the elevator and escaped. He took the Sheriff's pickup truck and drove away. Crowded by pursuit at Washington he abandoned the truck and took off.

## LBJ Heads for Talks With President of S. Korea in Pacific Area

By FRANK CORMIER  
Associated Press Writer

AUSTIN, Tex. (AP) — President Johnson, with a relaxing Easter weekend behind him, is heading for talks in Honolulu with South Korea's president and with the U.S. military chiefs in the Pacific area.

The chief executive was to fly to Hawaii today.

Johnson's major mission apparently an effort to ease the fears of President Chung Hee Park, who will be flying in from Seoul Tuesday night.

Park has been reported fearful the United States might not remain steadfast in its longstanding resolve to help protect his country against any incursions from Communist North Korea.

Besides offering reassurances of this score, Johnson will be urging Park to go ahead with plans to commit another South Korean division to the war in Vietnam, where about 50,000 Korean troops are fighting. The United States regards the extra division as vitally needed.

Should Park cancel the plan to dispatch the additional men, the gap might have to be filled with still more American manpower.

Johnson also will be talking with Adm. U.S. Grant Sharp, retiring commander-in-chief, Pacific, and Sharp's top aides. The President and the admiral met at Camp David, Md., only last week.

Expected to join the military confab was Adm. John S. McCain, now commander of U.S. naval forces in Europe and slated to succeed Sharp in July.

Johnson planned to speak on his arrival at Honolulu International Airport. Then he was to go by motorcade to the Iolani Palace, where Democratic Gov. John Burns has his office.

## Six Marines Die But Hill Is Seized

By GEORGE ESPEY  
Associated Press Writer

SAIGON (AP) — U.S. Marines seized a hill northwest of Khe Sanh from its North Vietnamese defenders in an Easter Day battle. An American source said South Vietnamese troops soon will take on a bigger share of the fighting along the northern frontier.

The battle for Hill 881 north, five miles from the Khe Sanh combat base, was one of several sharp fights over Easter. AP correspondent John Lengel reported from Marine headquarters at Da Nang that 108 North Vietnamese were killed on 881 North—most of them by artillery and air strikes that preceded the Marine assault.

Six Marines were reported killed and 12 wounded. Troops of the 26th Marine Regiment stormed up the slopes. Sporadic shooting continued after the hill was declared secure early in the afternoon.

The hill was the scene of hard fighting in the spring of 1967, and the North Vietnamese hung on to it after the siege of Khe Sanh was lifted this month.

The 26th Marine Regiment had been in Khe Sanh during the 77-day siege. After the encirclement was broken the regiment moved out to sweep the surrounding area.

The U.S. Command is preparing to replace American troops along the demilitarized zone with South Vietnamese forces an American source said today. It was considered possible that South Vietnamese troops will take over defense of the Marine outpost of Con Thien and of Khe Sanh, now defended by a battalion of air cavalrymen.

It was reliably learned that the move will be carried out as soon as the South Vietnamese 1st Division has completed refitting and retraining. The division suffered heavy casualties during the enemy's lunar new year offensive.

## Mystery Man Held in the King Slaying

MEMPHIS, Tenn. (AP) —

of this score, Johnson will be urging Park to go ahead with plans to commit another South Korean division to the war in Vietnam, where about 50,000 Korean troops are fighting. The United States regards the extra division as vitally needed.

Should Park cancel the plan to dispatch the additional men, the gap might have to be filled with still more American manpower.

Johnson's major mission apparently an effort to ease the fears of President Chung Hee Park, who will be flying in from Seoul Tuesday night.

The object of the widening search was Eric Starvo Galt, 37, known only as an unemployed seaman from Birmingham, Ala. A car registered in that name was seized by the FBI in Atlanta last Friday, eight days after King was shot to death in Memphis.

The FBI refused to acknowledge the hunt or to say why Galt was wanted. "No comment," was the routine reply. But Associated Press checks disclosed that FBI agents had contacted persons named Galt in several states including Virginia, Alabama and Florida.

An FBI alert for Galt was sent over the Florida police communications network last Friday, but withdrawn four hours later.

FBI agents have continued to inquire about Galt at numerous places including dry cleaners and service stations in Birmingham, where a man named Eric Starvo Galt rented a room at a Southside boarding house within the past eight months.

Meanwhile, in Jacksonville, Fla., a man picked up for questioning about the assassination was cleared, police said.

Agents have exhibited composite drawings of a man's face, but no photographs, according to persons contacted in Birmingham.

At the same time, police sources in Memphis disclosed Sunday that the FBI was withholding nationwide distribution of a composite drawing of King's killer, who fired the death shot from a dingy second-floor bathroom in a rundown rooming house. King, leader of nonviolent civil rights forces, was struck in the neck as he stood on a second floor motel balcony facing the rear of the rooming house.

The assassin's description by the FBI: 30 to 32 years of age, 5-10, weighing 165, with a receding hairline and a long, thin nose.

## Drawing of Slayer Identified

BIRMINGHAM, Ala. (AP) — The owner of a boarding house said today he had identified a drawing of a man sought in the slaying of Dr. Martin Luther King Jr. as a roomer known by the name Eric Galt.

"It's him, I'm sure," said Peter Cherpas, 72, who runs a boarding house on Birmingham's South Side. Cherpas consented to talk after the FBI responded to his request to be released from a secrecy pledge.

Cherpas said FBI agents showed him drawings about last Wednesday, or two days before a car registered in the name of Eric Starvo Galt was found abandoned in Atlanta. The car, a white Mustang with an Alabama license tag, matched the description of a car seen leaving the assassination scene in Memphis, Tenn., where King was shot April 4.

Cherpas was shown a newspaper artist's drawing of the assassin today and he said it was such like the drawings exhibited by federal agents. Cherpas said the sketches "looked exactly like Galt."

The man known as Eric Starvo Galt has become the object of a widening search by FBI agents, who have been contacting persons with the same name or similar names from Virginia to Florida and sifting through dozens of stores and businesses in Birmingham for clues to the missing man.

The FBI issued an alert, called a "locate and notify" dispatch, in Florida for Galt last Friday at about the time the white Mustang was being impounded in Atlanta. The alert was withdrawn four hours later with the explanation that it had been erroneous.

### Rain Could Alter Race Relations

By GAYLORD SHAW  
Associated Press Writer  
MEMPHIS, Tenn. (AP) — On a cold, gray morning in January, half an inch of rain fell in Memphis, barely enough to send trickles of water along the gutters.  
But that half an inch of rain started a flood of events that may have altered the course of race relations in the United States.  
Because of the rain Jan. 30, Memphis Sanitation Department supervisors sent home, with two hours pay for the day, 21 or 22 men whose job it was to clean the gutters.  
The gutter cleaners, all Negroes, complained their white supervisors always received a full day's pay, even when it rained.  
Their complaints swelled into a strike of 1,300 sanitation workers and garbage collectors, 98 per cent of them Negroes. The racially tinged labor dispute brought clashes with police, hundreds of arrests and a sit-in at the City Council chamber.  
And it brought Dr. Martin Luther King Jr. to Memphis.  
King led garbage collectors on a march through the business district on March 28. He was planning another march when, on a still spring evening April 4, the civil rights movement's leading apostle of nonviolence was shot and killed by a sniper.  
The night of King's death, disorders started breaking out in

cities across the nation. The riots waxed and waned for a week, leaving more than a score of persons dead, scarring Washington, Chicago, Baltimore, Kansas City and other urban centers, and heightened racial tension in communities from coast to coast.  
Within a week, Congress had passed and President Johnson signed a civil rights bill containing a broad open housing provision.  
The turmoil following King's death all but obscured the sanitation workers' strike, which enters its 10th week today. The dispute has left the city edgy, and some officials appeared concerned about the plans of the Rev. Ralph Abernathy, who succeeded King as head of the Southern Christian Leadership Conference, to address a mass meeting here tonight.  
Aldes said Abernathy would launch a new campaign "for justice, jobs and human dignity" and would stay in Memphis "for the duration."  
Two days after King's slaying, the White House dispatched Undersecretary of Labor James Reynolds, a veteran of steel, railroad and other major labor negotiations, to Memphis in an attempt to settle the garbage collectors' strike.  
The American Federation of State, County and Municipal Employees is seeking a 45-cent increase in hourly wages that ranged from \$1.65 to \$2.10. The last reported city offer was an 8 cent an hour increase.  
Reynolds called negotiators, including Mayor Henry Loeb, into session Easter Sunday but he didn't seem hopeful of an early settlement.

### Army Tries to Outnumber the Rioters

WASHINGTON (AP) — In the year it has been going into slums to quell riots the Army has found it's better to try to outnumber rioters than to outshoot them.  
Only about 15 bullets were used in coping with the recent wave of looting and burning in Washington, according to official reports. The troops did not injure anyone with gunfire. But tear gas was used liberally.  
The violence in Washington and scores of other cities was a crucial test of the Army's tactics for coping with civil disorders.  
Negroes in more than 100 cities reacted to the death of Dr. Martin Luther King Jr. by some form of disorder and about 40 lives were lost. By comparison, the Newark and Detroit riots last year had a combined toll of 66.  
Thus, top officers say the Army feels the recent disorders show the homework the Army has been doing for months. Has been time well spent.  
Swift mobilization of power and restraint in applying it are the keys to stopping disorder in its tracks, officials said.  
The Army poured more than 26,000 soldiers into Washington, Baltimore, and Chicago, the three sorest spots in the nationwide siege of street violence.  
These regulars were backed up by 14,800 National Guardsmen who were "federalized"—called up and added to the regu-

lar forces—and some 32,000 other Guardsmen mobilized by their governors.

Across the nation the rule that officials made stick, with few exceptions, was that soldiers and Guardsmen display their weapons but keep them unloaded. In a situation where firing seemed called for, it was to be resorted to only on the order of an officer or, lacking an officer, a noncommissioned officer.

Post mortems showed there was no such tight rein on shooting for Newark and Detroit in 1967.

The tactics of restraint came in for criticism from Sen. Russell B. Long, D-La., who said he would prefer that police use guns to stop fleeing looters.

"It might cost a few lives to be strong and enforce the law," he said, "but I don't see that we are too badly off if a few professional robbers, thieves and arsonists do lose their lives playing that kind of trade."

Whitney M. Young Jr., head of the Urban League, complained the thoughts of moderate Negro leaders are often ignored or given scant attention by news media he said are more concerned with coverage of militants.

Young singled out the way the media concentrate on the statements of Black Power leader Stokely Carmichael.

### Leftists in Berlin Order Blockade

By HUBERT J. ERB  
Associated Press Writer  
BERLIN (AP) — Leftist students ordered a blockade of publisher Axel Springer's newspapers today, raising the prospect of more trouble after four days of violent demonstrations in West Berlin.

The Socialist Students Association — or SDS — SAID it would set up blockades in West Berlin, Frankfurt, Esslingen and Hanover.

Springer, continental Europe's biggest publisher, has been a chief target of the German New Left because of his papers' antileft editorial stand. Earlier blockades led to clashes with police and considerable damage to trucks and buildings.  
In an effort to reconcile the dissidents and the authorities, other West Berlin political and youth groups announced plans for "make a new start" rally today.

Leftist demonstrations began Thursday when SDS leader Rudi Dutschke was shot and critically wounded by a gunman on West Berlin's main street, the Kurfuerstendamm.

A demonstration on that street Sunday erupted into a clash between thousands of Dutschke's supporters and hundreds of police, plunging the traditional Easter parade of strolling Berliners and tourists into chaos.

The demonstrators shouted "Nazis" at the police and chanted, "Ho-Ho-Ho-Old Mink" and "Rudi Dutschke." They huddled together rather than retreating when water cannon opened up at point-blank range.

In a three-hour melee, the leftists flung stones, pieces of metal, fruit, firecrackers and paint and tried to pile barriers across the street. At least three construction trucks were knocked over.

# Star Camera Tours Millwood Lake, Now at High Level

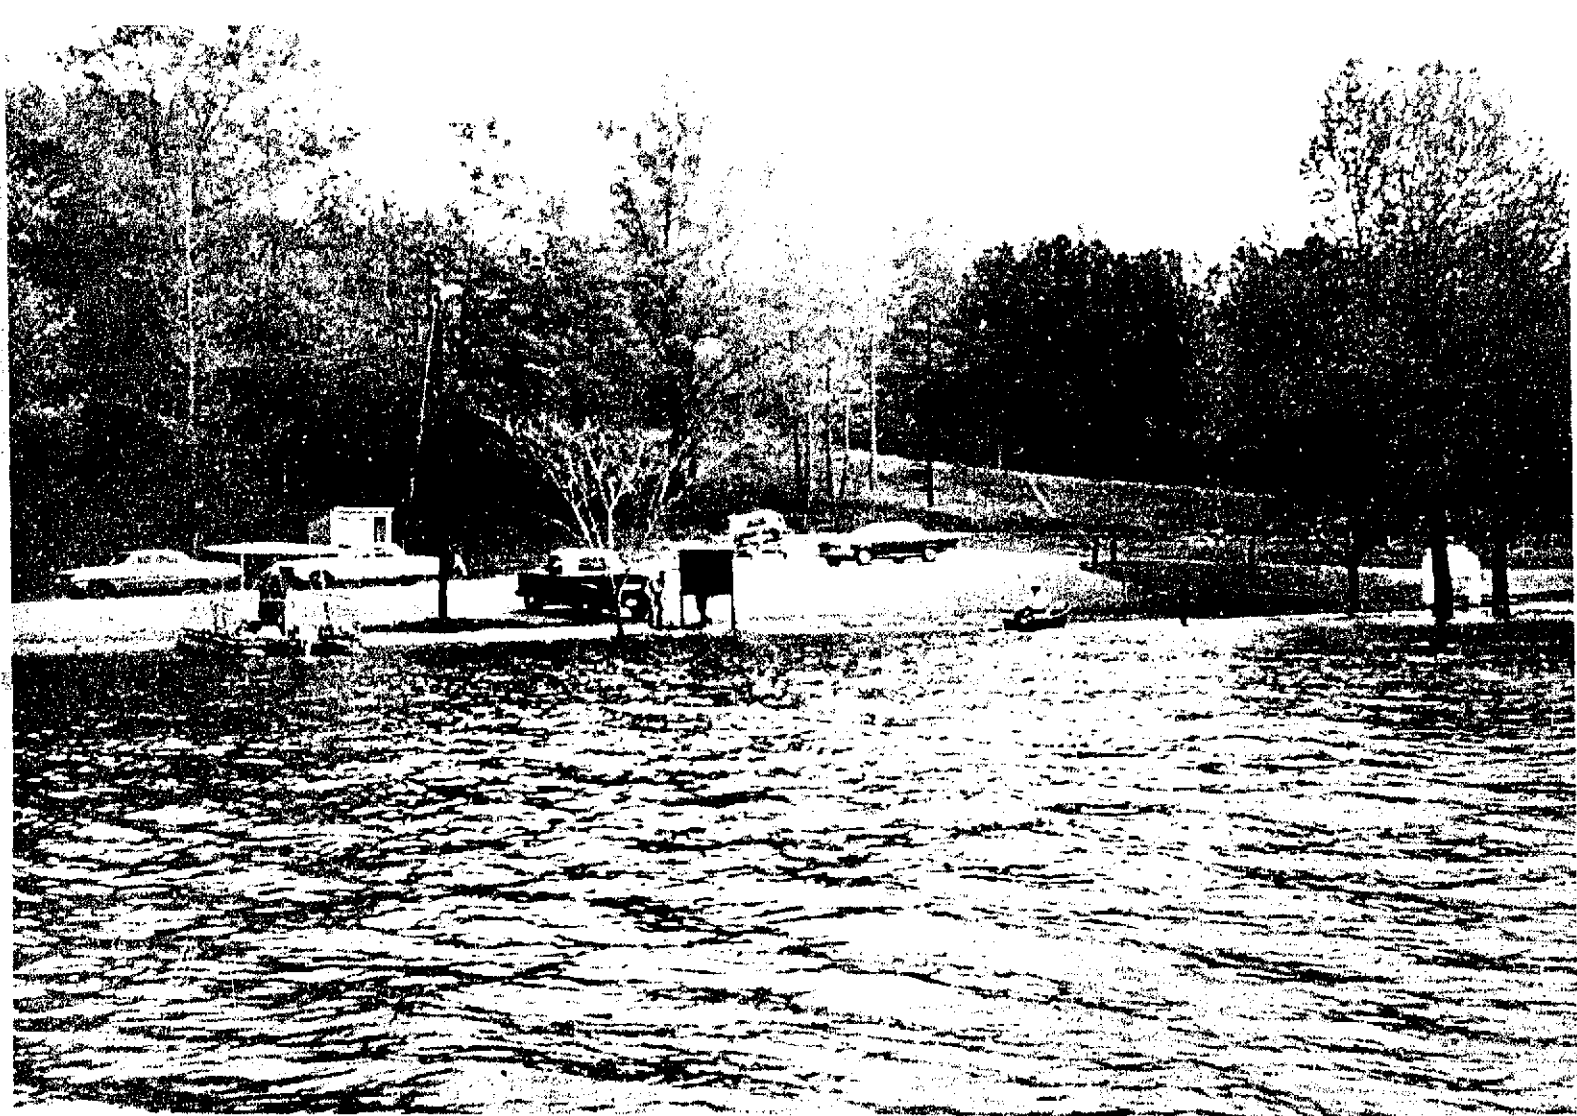

— Contax photos, Alex H. Washburn

The Star was given a guided tour of Millwood Lake last Friday, April 12, by the Corps of Engineers. In the newspaper party were the editor and the general bookkeeper and her husband, Mr. and Mrs. W. H. Harris. Piloting the official runabout was Warren Butler of Spring

Hill, on the Engineers' staff. The main pool of the lake is shown above, looking northward from the dam. Launching was made from the Engineers' earth ramp in Cypress Slough, out of camera range on the left.

Downstream from the dam is this pool, with Little River, shown at top center, resuming its course to the confluence with Red River a mile above Fulton. Boats still put in at Allen's Ferry and fish the 16-mile stretch upriver to the dam. At present there is no launching ramp on the downstream side of the dam, but this may be built in the future, offering visitors the choice of fishing either the lake or the river. Right now Millwood Lake is about four feet above its normal level. The official elevation Friday was 261.04—overcast sky, windy, with rough water.

This is Beard's Bluff Landing, one of six paved ramps now on the lake, but all without gasoline pumps or other dock facilities—soon to be offered.

Saratoga Landing, paved ramp just north of Beard's Bluff, with heavy daily traffic. Both Beard's and Saratoga are reached by the paved road from Saratoga to the dam.

Heading northwest up Millwood Lake you leave the main pool and find yourself traveling what appears to be a flooding river with the water spreading through uncut timber on either side. On a high spot on the west side is Millwood village, shown in this picture, a colony of summer homes much used by residents of Ashdown.

This picture marked the point where we turned around and started home—the intake for the canal which carries Millwood Lake water to the new Nekoosa-Edwards paper mill near Ashdown.

## Politics May Cut Down on Use of LSD

By JOHN BECKLER  
Associated Press Writer  
WASHINGTON (AP) — The enthusiastic political plunge taken by growing numbers of college students may have a beneficial side effect—a decline in

the use of LSD and other drugs on campus, says a Cornell University medical professor.

Dr. Donald B. Louria, says this is a "charming fallout" of the eruption of campus political activity touched off by the presidential bids of Eugene J. McCarthy and Robert F. Kennedy. "If you want to cure the drug problem," says Louria, who heads the New York State Council on Drug Addiction, "the

name of the game is commitment." In more scientific terms, Dr. Stanley F. Yolles, director of the National Institute of mental health, is saying much the same thing when he urges researchers into drug addiction to look beyond the specific problems of LSD, marijuana, amphetamines and barbiturates to the underlying causes of drug abuse.

"We live in a drug-oriented culture," Yolles told Congress recently. "From aspirin to sleeping pills, from tranquilizers to 'the pill,' Americans of all ages are ingesting drugs in greater number and variety than ever before." As a starting point for research into drug abuse, Yolles suggests looking into the causes of alienation—that withdrawal from the world that has been characterized as "a refusal of what is, without a vision of what

should be." create their own dream world As a disease of the young, alienation has probably existed since the first gap opened between the generations, but Yolles believes it is now "wider, deeper and more diffuse than at any previous time in our history." "It affects the rich and the poor," he says, "the college student and the school drop-out, the urban and rural youngster." Their common complaint: "Life is a drag." Since they can't change the world, they are to change their state of consciousness. Reject the beliefs, values and leaders of the "square" world, they are to create their own dream world through drugs. Yolles says there are estimates that two million college students have tried marijuana and that its use is increasing. He believes it is urgent that new approaches be found to wipe out the mistrust of the old world, by the young, to restore a belief in the world as it is. "If this is not done," he says, "there are serious dangers that large proportions of current and future generations will reach adulthood embittered toward the larger society, unequipped to take on parental, vocational

## Teacher Case Before the Appeals Court

ST. LOUIS (AP) — The 8th U.S. Circuit Court of Appeals has been asked to uphold U.S. District Judge Owen Harris' ruling that a former Arkansas A&M speech instructor is entitled to a trial in his suit for reinstatement.

In a hearing at Pine Bluff, Harris overruled a motion by the college for dismissal of Davis' suit, which seeks reinstatement for back pay and \$25,000 in damages.

Davis contends his right of free speech was violated and that he was denied due process. He was dismissed Oct. 31, 1965 after serving three months of a one-year contract. The firing came after Davis circulated a petition among students condemning the flogging of state penitentiary inmates with leather straps.

## LEGAL NOTICE

## CONTRACT TO CONSTRUCT BUILDINGS

## NOTICE AND INSTRUCTIONS TO BIDDERS

1. Proposals: Sealed proposals for the construction, including the furnishing of all necessary materials, machinery, labor and equipment, of the buildings listed below (hereinafter called the "Project") to be financed pursuant to a loan contract between SOUTHWEST ARKANSAS TELEPHONE COOPERATIVE, INC. (hereinafter called the "Owner") and the United States of America, by the Administrator of the Rural Electrification Administration (hereinafter called the Administrator) and designated ARKANSAS 514-F will be received by the Owner on or before 10 o'clock A.M., Central Standard Time, May 7, 1968, at its office located at Highway 71 South, Texarkana, Arkansas, (Mailing Address: P.O. Box 1169, Texarkana, Arkansas 75501) at which time and place the proposals will be publicly opened and read.

Location: Emerson, Arkansas, Columbia County, Arkansas, Washington, Arkansas, Hempstead County, Arkansas.

2. Obtaining Documents: The Plans and Specifications together with all other necessary forms and documents for bidders may be secured from F. M. Hollandsworth, Consulting Engineers at P. O. Box 308, Highway 64, Willis Point, Texas 75169 upon payment of Seven and 50-100 Dollars (\$7.50) which payment will be returned to each bona fide bidder within ten (10) days after the bid opening. Additional sets of Plans and Specifications may be obtained upon payment of Five and no-100 Dollars (\$5.00) which payment will not be subject to refund. The Plans and Specifications may be examined at the office of F. M. Hollandsworth, Consulting Engineers or Southwest Arkansas Telephone Cooperative, Incorporated. A copy of the loan contract may also be examined at the office of the Owner.

3. Manner of Submitting Proposals: Proposals and all supporting documents required to be attached thereto must be submitted on the forms furnished by the Owner and must be delivered in a sealed envelope, addressed to the Owner. The name and address of the Bidder, its license number, if a license is required by the State, and the date and hour of the opening of bids must appear on the envelope in which the proposal is submitted. Proposals must be filled in in ink or typewritten. No alterations or interlinations will be permitted, unless made before submission, and initialed and dated.

4. Familiarity with Conditions: Prior to the submission of the Proposal, the Bidder shall make and shall be deemed to have made a careful examination of the site of the Project and of the Plans and Specifications, forms of Construction Proposal and Acceptance, and Contractor's bond on file with the Secretary of the Owner and with the Administrator and shall become informed as to the location and nature of the proposed construction, the transportation facilities, the kind and character of the soil and terrain to be encountered, the kind of facilities required before and during the construction of the Project, general local conditions, and all other matters that may affect the cost and the time of completion of the Project. Bidders will be required to comply with all applicable statutes, regulations, etc., including those pertaining to the licensing of contractors and the so-called "Kick-Back" Statute (48 Stat. 948) and regulations issued pursuant thereto.

5. Bidders' Qualifications: A Bidder who has not already completed similar construction for an REA borrower shall file with the Architect the Bidder's Qualifications on forms supplied by the Architect at least forty-eight (48) hours in advance of the scheduled bid opening.

6. Time of Completion of Construction: The time of completion of construction of the Project shall be as specified by the Architect in the Proposal.

7. Bid Bond: Each Proposal must be accompanied by bid bond in the form attached or a certified check on a bank that is a member of the Federal Deposit Insurance Corporation, payable to the order of the Owner, in an amount equal to ten percent (10 per cent) of the maximum bid price. Each bidder shall agree, provided its proposal is one of the three low proposals, that by filing its Proposal together with such bid bond or check in consideration of the Owner's receiving and considering such Proposal, said Proposal shall be firm and binding upon each such Bidder and such bid bond or check shall

be held by the Owner until a Proposal is accepted and a satisfactory Contractor's Bond (or Builder's Risk Policy) is furnished by the successful Bidder and such acceptance has been approved by the Administrator, or for a period not to exceed sixty (60) days from the date hereinbefore set for the opening of Proposals whichever period shall be the shorter. If such Proposal is not one of the three low Proposals, the bid bond or check will be returned in each instance within a period of ten (10) days to the respective bidder.

8. The successful Bidder will be required to execute two additional counterparts of the Proposal and to furnish Contractor's Bond or Builder's Risk Policy in the form attached to the Proposal with sureties listed by the United States Treasury Department as Acceptable Sureties, in a penal sum not less than the contract price.

9. Failure to Furnish Contractor's Bond or Builders Risk Policy: Should the successful Bidder fail or refuse to furnish a Contractor's Bond (or Builder's Risk Policy) satisfactory to the Owner and the Administrator within fifteen days (15) after written notification of the acceptance of the Proposal by the Owner, the Bidder will be considered to have abandoned the Proposal. In such event, the Owner shall be entitled (a) to enforce the Bid Bond in accordance with its terms, or (b) if a certified check has been delivered with the Proposal, to retain from the proceeds of the certified check the difference (not exceeding the amount of the certified check) between the amount of the Proposal and such larger amount for which the Owner may in good faith contract with another party to construct the Project. The term "successful Bidder" shall be deemed to include any Bidder whose proposal is accepted after another Bidder has previously refused or has failed to furnish a satisfactory Contractor's Bond (or Builder's Risk Policy).

10. Contract is Entire Agreement: The contract, effected by acceptance of the Proposal shall be deemed to include the entire agreement between the parties thereto, and the Bidder shall not claim any modification thereof resulting from any representation or promise made at any time by any officer, agent or employee of the Owner or by any other person.

11. Minor Irregularities: The Owner reserves the right to waive minor irregularities or minor errors in the Proposal, if it appears to the Owner that such irregularities or errors were made through inadvertence. Any such irregularities or errors shall be corrected on the Proposal prior to its acceptance by the Owner.

12. Rejection of Proposals: The Owner reserves the right to reject any or all Proposals.

13. Discrepancies: Where a discrepancy appears between the sum of the Base Bids for each building and the Total Base Bid, the correct addition of the Base Bid price for each building shall control.

14. The Owner Represents: (a) If by provisions of the Proposal, the Owner shall have undertaken to furnish any materials for the construction of the Project, such materials are on hand at locations which may be determined by the Bidder's inquiry of the Architect, or if such materials are not on hand, they will be made available by the Owner to the successful Bidder before the time such materials are required for incorporation into the Project. (b) Title to the property on which the Project is to be constructed has been obtained. (c) All funds necessary for prompt payment for the construction of the Project will be available.

If the Owner should fail to comply with any of the undertakings contained in the foregoing representations or if any of such representations shall be incorrect, the Bidder will be entitled to an extension of the time of completion of construction for a period equal to the delay, if any, caused by the failure of the Owner to comply with such undertakings or by any such incorrect representations; provided the Bidder shall have promptly notified the Owner in writing of its desire to extend the time of completion in accordance with the foregoing, and provided further that such extension, if any, of the time of completion shall be the sole remedy of the Bidder for the Owner's failure to comply with any of the foregoing representations.

## 8 Persons Killed by Traffic

By THE ASSOCIATED PRESS  
Eight persons died in traffic accidents on the Arkansas highways during the 54-hour weekend period which ended at midnight Sunday.

State Police identified the victims as John Leudermill, 27, of Hot Springs; Lewis Boswell, 5, of Forrest City; William H. Herschell, 19, of Kansas City, Mo.; Ernets Selby, 43, of Springdale; Coy Pitts, 54, of London

HOPE (ARK) STAR, Printed by Offset

(Pope County); James Franklin Courtney, 22, of Fisher (Poinsett County); Wayne Killion, 28, of Sulphur Springs, and Homer Foster, 54, of Carmi (Craighead-Mississippi Counties).

Officers said Leudermill was struck and killed Sunday night while changing a flat tire on Interstate 30 about one mile north of Arkadelphia. Authorities said Leudermill was struck by a tractor-trailer driven by Martin W. Taylor, 43, of Wilson, N.C.

The Boswell youth was struck and killed Sunday while crossing a city street at Forrest City. Officers said the youth was struck by a vehicle driven by Napul Chu, 26, of Round Pond

(St. Francis County).

Authorities said Herschell was the driver of a vehicle which apparently went out of control at the junction of Arkansas 16 and 110 Saturday and the vehicle overturned several times.

Selby was struck and killed Saturday night at Springdale by a vehicle driven by Lester H. Dewaters, 28, of Mountainburg. Officers said Selby was crossing a city street when he was hit.

Pitts was killed Saturday night when the pickup truck he was driving left Interstate 40 and struck a concrete pillar about two miles north of Russellville.

Courtney apparently lost control of his vehicle Saturday on

Arkansas 14 two miles west of Waldenburg. Officers said the vehicle overturned three times and hurled Courtney into a water-filled ditch.

Killion was killed Saturday when the vehicle he was driving collided with a vehicle driven by Joe Caveness of Bentonville. The accident occurred at the intersection of Arkansas 102 and a Bentonville city street.

Foster died Sunday night of injuries suffered Saturday when his car was struck by a car driven by Gary Craig, 15, of Leachville, on Arkansas 139, about 3 1/2 miles south of Leachville.

Authorities said Foster was attempting to pull a truck out
